

Agenda
Hodgson Brook Local Advisory Committee
NH Community Technical College, Pease Campus

Tuesday, June 28, 2005
4:30 pm – 6:00 pm

Introductions

Meet the new Hodgson Brook Watershed Coordinator
Blue Ocean Society for Marine Conservation

Overview – where we've been, where we are going
Presentation of data gathered thus far

Coordinator's work plan for next two years

- Accomplishments thus far
- Upcoming events – water quality monitoring volunteers, United Way, signage, weed survey
- Opportunities for LAC members to get involved
- Funding possibilities

Transition from LAC to Advisory Board (HBAB)

- We still want you, do you still want to be here? (expectations of HBAB, meeting frequency, service, other needs, communications)
- If not you, who?
- Who else should be at the table? (given the scope of work in the work plan)
- Board Chair - think about this for the next meeting
- Meeting logistics – best day of the week and time of day

Discussion – other information/topics/projects in Hodgson Brook Watershed?
Open discussion – in case any LAC folks know of other projects

Next steps
